The WolfPAC Letter

Volume 6 Issue 10

May 2010

From the Principal's Notepad

Dear Parents,

Moving through the Easter Season toward Pentecost, we reflect on what the Apostles and the people heard, lived and experienced during that unique time. They reflected on Baptism, on accepting the Lord's message of repentance and on receiving the Holy Spirit. They heard the message in their native languages and were awestruck! They became united in their movement toward spreading the Word, the Church universal and began to share all things in communion. We stop to consider our role as servants – one Church each with diverse roles.

How counter-culture we are when we consider how many of our modern secular activities pull us away from our commonalities and the universalism that our Church offers to us. Like the first Apostles, today we must work toward coming together with our shared beliefs of our Universal Church.

At St. Francis we have many shared beliefs and activities that bring us together even as the year draws to a close and we prepare to send out our third graduating class.

We congratulate our Honor Society inductees and their advisors, our State Latin team and thank our Juniors for their effort and the success of the Prom. A special thank you to our baseball, softball, tennis and track coaches and the athletes for their great efforts during district play. Please shake Matt McQuagge's hand before he graduates as Matt became the first Boys track athletes to place 9th in the state in the 400 meter. (See our graduation information to celebrate with all our Seniors.)

As we wind down the 2010 school year, please pay special attention to the Final Exam Schedule on page 2 (It will be reviewed by teachers with students in the next week.); project deadlines; class elections and the hour-long workshop on *Temperament and Learning* with Dr. Thomas Oakland, a follow-up to his survey study on the 80 St. Francis students that participated.

We, at St. Francis, like the first Disciples of Christ, will follow the way of the Risen Lord as we prepare for one year's end and another year's beginning.

Peace,
Ernie Herrington
