Jim was a teaching Golf Professional at West End Golf Course for many years that died suddenly in 2008. He taught the golf swing to many young high school golfers in the area and he is being memorialized with this program. The sale of this pass will benefit all of the high school golf teams in the area. This pass can

be purchased by anyone and used by anyone. This pass can be used from June 1 to Sept. 30. The price of the pass is \$50 and each high team that sells their allotment of cards receives that money at the end of the fund raiser.
